### ¿Qué es la visita domiciliaria?

Las Visitas Domiciliarias son un servicio voluntario y a domicilio que se ofrece sin costo alguno para la familia. Los Visitantes domiciliarios son profesionales dedicados que ponen en contacto a las familias con la información y los recursos necesarios para mejorar la salud de los bebés y de toda la familia.

El apoyo de las Visitas Domiciliarias puede mejorar los resultados del embarazo y ayudar a las familias a prepararse para el nuevo bebé. Incluso después de que nazca el bebé, las Visitas domiciliarias pueden ayudar a las familias a aprender sobre la alimentación, el sueño y cómo hacer que su nuevo bebé este seguro y florezca.
