FRIENDS

 of the Homeless
OF TUSCARAWAS COUNTY

*Our mission is to assist families and individuals
in a faith-based environment to achieve stability,
sobriety and permanent housing.*

Friends of the Homeless Emergency Shelter

Friends of the Homeless of Tuscarawas County operates the area's only emergency homeless shelter. Residents are provided with a safe and sober living environment and nightly meals, but also with the tools and services needed to achieve stable living through:

- Individualized case management from intake to exit.
- Assistance with accessing area services that help with housing, employment, physical and mental health, substance abuse, food and clothing
- On-site programming focusing on developing self-help skill, parenting skills, nutrition and education assistance.
- Three Sober Support Meetings on sight – Monday, Thursday and Saturday
- Since opening in October 2005, Friends of the Homeless has provided over 136,741 bed-nights to those in need.

Pathway to Wellness Recovery Center

Pathway to Wellness Recovery House is a program administered by Friends of the Homeless of Tuscarawas County. Pathway to Wellness provides a safe, supervised living environment to men overcoming substance abuse and supporting long-term recovery.

- Participation in the program is voluntary, minimum one year participation.
- Participants work with the Pathway Team to develop an individual plan to support their recovery, which may include IOP, personal counseling and participation in various support groups and classes.
- The program takes a holistic harm reduction approach designed to address the many ways substance abuse affects the lives of individuals and their families.
- The house is supervised 24/7 by staff trained in the recovery process.
- Current capacity is for five adult men, with kitchen and laundry facilities on-site.

Volunteer Opportunities

Front Desk Volunteers have the most one-on-one contact with the resident, offering support and encouragement as well as making them feel like a valued member of the community, serving as a bridge of communication between staff and residents, as well as assisting with some of the clerical duties of the organization.

Advocacy Volunteers act as the bridge between the organization and the community through their involvement with fundraising activities, the speaker's bureau, public relations campaigns and volunteer recruitment. These volunteers spread the mission of Friends of the Homeless by raising awareness of the issues of homelessness, poverty and substance abuse.

Special Skills Volunteers fill very specialized roles that may or may not occur on a regular basis, such as:

- Babysitters
- Activity Planner
- Writers (resume assistance, biographer testimonials, grants)
- Mechanic
- Maintenance/Handyman
- Multi-lingual Translators
- GED/Tutoring
- Self-Insured Drivers
